The Hickory Knoll's herd has been culled carefully and only Shorthorns of great merit have been retained. As every Shorthorn in the herd, old and young will be sold, this sale offers an unusual opportunity to buy breeding stock of superior character and type and with most desirable pedigrees.

The bull and the thirteen grand heifers consigned to this sale from Comrie Farms are the best productions of this choice aggregation of Shorthorns. They rank with the best in America and make a fine addition to the choice specimens of Hickory Knoll's herd.

We are sure that you will like our Shorthorns. We are confident that you will profit by buying and using them and we shall treat our customers and patrons as we should wish and expect to be treated if we were the buyers.

Hickory Knoll's Bondsman 2078175

Hickory Knoll's Bondsman 2078175—Was bought last year to head this herd and in consideration of the manner in which he has developed, he would be bought again if the herd were to be continued. He is one of the shortest legged, blockiest, most compact and sappiest bulls in America. This type and quality has been inherited from a long line of potent ancestors and he may be relied upon to impress his get with these same characteristics. He has a rich, cherry red color and an impressive head and in every respect promises to become one of America's great sires. His picture shown above, is a snapshot, taken as a calf. He has widened, thickened and matured since then. Buy him if you can.

Hickory Knoll's Peter 2142868—Is a thick little red bull from the grand cow, Merry Lady Sylvia 2d (Lot No. 8 in this catalog) and sired by the great Perth supreme champion, Calrossie Prince Peter, the influence of which is responsible for the recent record breaking sale at Merryvale Farm. There is no more promising calf to be had this year than this fine red bull and his pedigree places him among the most desirable to put at the top of a herd.

Dr. R. B. Sasmann, Chicago, Ill.

Hickory Knoll's Model 2142866—Is a bull of great character for so young a calf. He has rich red color, grand type, is deep, short legged, level and well balanced. Perhaps he gets his character from his dam, one of of the best headed cows in the herd. His sire was a deep bodied, red, imported bull from the noted Bridgebank herd of A. J. Marshall. If you can wait a bit on a bull to use, buy this youngster and grow out a herd bull that will make your breeding operations profitable.

Prince Beverley 1983996—(Imp.) by Calrossie Graduate by Calrossie Control. Dam, by Cruggleton Beverley. He is the sire of Lots 3 and 35 in this catalogue.

Grand Parade 2078-176 =251075= — Is a bull of superb type, excellent quality and great character. It will be noted from his pedigree that he is a grandson of the famous Perth champion Millhills Ransom (Imp.). His sire, Glenburn Royal Ransom has been a sire of a number of winning cattle in Ontario and his dam is sired by a most impressive bull that is a grandsire of the famous Collynie Royal Leader. In fact, if you will study the three top crosses in this pedigree, you will see where the great excellence of this bull originated. He should go into a good herd where he will get an opportunity to display his ability to produce.

Braedoon Band Master 2139667—Is an extremely short legged, thick, dark red, deep bodied bull with a good broad short head and with the sort of breeding that assures his making an impressive sire. Note that both his sire and his dam were sired by the famous **Collynie Royal Barrage (Imp.)** and that his granddam was sired by the Scottish grand champion **Calrossie Grand Slam**. The dam of this bull is a full sister to the heifer, **Princess**
